PROFESSIONAL SUMMARY

Frontend Developer with 4+ years building enterprise-scale web apps with React, Next.js, and TypeScript. Strong track record architecting scalable frontend systems, optimizing Core Web Vitals (LCP, CLS, INP), and leading shared component libraries adopted across multi-developer teams.

CORE TECHNICAL SKILLS

Frontend: React, Next.js (SSR/SSG), TypeScript, JavaScript (ES6+), HTML5, CSS3

State & Data: Redux Toolkit, RTK Query, Zustand, React Query, REST APIs

Architecture & UI: Modular/Micro-Frontend Architecture, Monorepo, Design Systems, Ant Design, Material UI, Tailwind CSS, Responsive Design

Performance : Core Web Vitals, Code Splitting, Lazy Loading, Bundle Optimization

Tools & Practices: Git, GitHub, CI/CD, Firebase, Agile/Scrum

WORK EXPERIENCE

Frontend Developer — Arian System, Tehran

Aug 2024 – Present

- Architected the core frontend of a 20+ module ERP platform, establishing shared component libraries and architectural standards adopted by a 6-developer team.
- Built a real-time reporting platform (StimulSoft) and Firebase-powered notifications, improving operational visibility and responsiveness across modules.

Frontend Developer — IPJ Company, Tehran

Jan 2024 – Aug 2024

- Built the Health Cloud platform on a micro-frontend architecture (React/Next.js), improving performance by 20% and reducing production incidents by 15%.
- Mentored junior developers through code reviews and pair programming.

Frontend Developer — Touska Company, Tehran

Nov 2021 – Dec 2023

- Built responsive, maintainable React UIs, reducing average task-completion time by 25% through UX improvements.

FREELANCE & SIDE PROJECTS

- ScreenMe (FemTech, UK · screenme.co.uk) — Built the consultation booking flow using Next.js and Material UI in a monorepo with a shared design system.
- Bright Resume Builder (github.com/mAmidMokhtari/bright-resume) — Open-source resume platform (Next.js, Tailwind CSS, monorepo architecture).

CERTIFICATIONS & EDUCATION

- Meta Front-End Developer Professional Certificate — Coursera/Meta, May 2023 (verify: coursera.org/verify/professional-cert/SKFT9LE4NQQK)
- M.Sc., Sports Engineering — Islamic Azad University, 2020–2023
